

CONCORDIA UNIVERSITY

VICE-RECTOR'S BULLETIN

FACULTY OF ARTS AND SCIENCE

FEBRUARY 1984 - BULLETIN NO. 22

The next issue of the Vice-Rector's Bulletin will be published in early June. Deadline for submissions is Friday, 11 May, 1984. Please forward all submissions to Mr. D.L. Boisvert, Administrative Assistant to the Vice-Rector, Academic, Faculty of Arts and Science, AD 233, Loyola Campus.

FACULTY ACTIVITIES ...

DR. A. ADAMSON (Department of History)

- published an article entitled "Indenture and the Control of Labour in the West Indies: The Case of British Guiana" in Industrial Labour: Wages or the Whip, edited by E.E.B. Saunders (London: Croon Helm, 1983).

DR. P. ALBERT (Department of Biology)

- published an article entitled "Host-plant Preferences in Larvae of the Eastern Spruce Budworm, Choristoneura fumiferana" in Proc. 5th Int. Symp. Insect-Plant Relationships, Wageningen, pp. 19-24 (1983).

DR. J. BARIBEAU (Department of Psychology)

- presented the following papers:

"Differential Topographical Analysis of Auditory Components in a Selective Attention Task" at EPIC VII - The 7th Evoked Potential International Conference, Florence, September 1983.

"Identification verbale et construction cognitive d'affects à partir d'expressions faciales chez des sujet schizophrènes, traumatisés cérébraux et normaux (avec C. Bravn et Gynette Marcil), Congrès de la Société québécoise de recherche en psychologie, Québec, octobre 1983.

"Control of Selective Filtering in Normal and Thought-disordered Subjects" at the 11th Annual Meeting of the Psychophysiology Society, (with J.P. Laurent), London, England, December, 1983.

- delivered the following invited addresses:

"Mind-Body Relation Series: Neurophysiological Research on Schizophrenia", Colloquium, Faculty of Medicine, A.M.I., McGill University, October 1983.

"Attention et schizophrénie", Conférence, Hôpital Sacré-Coeur, (avec Dr. J. Ouellette), decembre 1983.

DR. W. BRENDER (Department of Psychology)

- published the following articles:

"Methodological Issues in the Study of Sex Therapy: Effective Components in the Treatment of Secondary Orgasmic Dysfunction" (with C.S. Fichten and E. Libman) in the Journal of Sex & Marital Therapy, 9, pp.191-203, 1983.

"Behavioral Sex Therapy: A Preliminary Study of its Effectiveness in a Clinical Setting", (with E. Libman, R. Burstein and J. Takefman), in The Journal of Sex Research, 19, pp. 351-365, 1983.

- presented a paper entitled "Effects of Estrogen and Androgen on Somatic, Affective and Sexual Functioning in the Surgical Menopause" (with B. Sherwin & M. Gelfand), at the International Academy of Sex Research, Harriman, N.Y., November, 1983.

DR. P. CAPPELIEZ (Department of Psychology)

- participated in the colloquium "Behavioral Pharmacology of Lithium", Department of Psychology, Concordia University, November 1983.
- presented a paper entitled "Effets du lithium sur l'attention sélective chez le rat" to the annual meeting of the Société québécoise pour la recherche en psychologie, Québec, novembre 1983.

DR. S. CHODAK (Department of Sociology and Anthropology)

- organized a round-table on the Sociology of Unemployment with Professor Carroll Bourg of Fisk University, Nashville, Tennessee, at the American Sociological Association Meetings in Detroit, September 1983.
- presented a paper entitled "Etatization: Toward a State Controlled Society" at the Fifth Max Weber Colloquium - Comparative Historical Sociology, William Paterson College, New Jersey, October, 1983.

DR. K. DHINDSA (Department of Biology)

- presented a paper entitled "Selective Damage in Hypothalamus by Monosodium Glutamate" at the Second International Congress of Medicine, New Delhi, December 1983.

DR. H. ENESCO (Department of Biology)

- presented a paper entitled "Lipofuchsin Is Present in Mouse Placenta", at the American Aging Association, Washington, D.C., October 1983.
- published a paper entitled "Liver Polyploidy: Influence of Age and Dietary Restriction" (with J. Samborsky), in Experimental Gerontology 18: pp. 79-87 (1983).

PROFESSOR M. EUVRARD (Etudes françaises)

- presented a paper entitled "Politics in Emile Zola's 'Les Rougon-Macquart'" at the APFUCC, Vancouver, May 1983.
- was awarded the first "Prix des Rendez-vous" for the best article on a Québec film at "Rendez-vous d'automne du cinéma québécois", for an article on Marilu Mallet's "Journal inachevé", published in Format Cinéma No. 25, March 1983.

DR. C. FONDA (Modern Languages and Linguistics)

- presented the following papers:

"An Analysis of Some Phonetic Errors in the Speech of Near-bilinguals whose Mother-tongue is Italian", at the APFUCC, Vancouver, May 1983.

"A Comparative Analysis of Speech Errors and Second Language Strategy in the Case of Mandarin and Italian Speaking Near-bilinguals", at the Tenth International Congress of Phonetic Sciences, Utrecht, Holland, August 1983.

DR. P. GARNET (Department of Theological Studies)

- published an article entitled "The Parable of the Sower: How the Multitudes Understood It", in Spirit with Structure (Festschrift for G. Johnston), (E.J. Furcha editor), Pickwick Publications, Allison Park, Pa., pp. 39-54, 1983.
- presented a paper entitled "Hebrews ii.9: chariti or chōris?" at the Ninth International Conference on Patristic Studies, Oxford, September 1983.

- presented the following papers:

"Conceptualizations of Genocide & Ethnocide" (with F. Chalk) at the Symposium on Ukraine Famine 1933, Université de Montréal, March 1983.

"Culture Persecution Perpetrator Intent and their Effect on the Human Rights Agenda" (with F. Chalk), at the XVII World Congress of Philosophy, Montreal, August 1983.

- published an article entitled "Field Work Course Outline" in ASA Resource Materials for Teaching, 1983.

DR. E. JOOS (Department of Philosophy)

- presented the following papers at the XIIth International Congress of Philosophy, Montreal, August 1983:

"Déclin et régénération de la culture: une interprétation métaphysique"

"Wozu Gotter?"

- organized a round table on Heidegger and Culture and defended a set of theses entitled "Heidegger and Wittgenstein on Language".
- presented an invited paper entitled "General Ontology as Foundation of Social Ontology in George Lukács's Ontology" at the East-European Academy organized by the International Society for Metaphysics at the Université Laval, September 1983.

DR. C. KALMAN (Department of Physics)

- published the following articles:

"Ground State and P-wave b-flavored Baryons in a Consistent Quark Model with Hyperfine Interactions" (with D. Pfeffer), Physical Review D28, 2324 (1983).

"A Test of the Identity of Forces in Mesons and Baryons: Calculating Quarkonium Spectra Using Only Baryon Parameters" (with S. Barbari), Physical Review D28, 2321 (1983).

DR. D. KALOUPEK (Department of Psychology)

- published the following articles:

"The Effects of Compound in vivo and Imaginal Exposure: A Test of Fear Enhancement Models.", in Behavior Therapy, 14 pp. 345-356, 1983.

"Issues in the Assessemnt of Fear: Response Concordance and Prediction of Avoidance Behavior" (with D. Levis), in the Journal of Behavioral Assessment, 5, 239-260, 1983.

- presented a paper entitled "The Effects of Acute Exercise in Combination with Imaginal Flooding for the Treatment of Speech Anxiety" at the Annual Convention of the Association for Advancement of Behavior Therapy, World Congress for Behavior Therapy, Washington, D.C., December 1983.

DR. T. KOVATS (Department of Communication Studies)

- delivered an invited address entitled "Le rôle du virage technologique dans les arts, les lettres et la philosophie" to the Association des Administrateurs de Recherche des Universités du Québec, Second annual conference of ADARUQ Montreal, September, 1983.

DR. K. KUSANO (Department of Sociology and Anthropology)

- participated in a symposium on Ideology and Japanese Archaeology, a pre-congress conference on the Eleventh International Congress of Anthropological and Ethnological Studies, McGill University, August 1983.
- published an article entitled "International Evaluation of the Japanese Scholarship", Asian Thought and Society, November 1983.

ASSOCIATE PROFESSOR H. LAU (Department of Philosophy)

- chaired a poster session on the philosophy of education at the XVIIth World Congress of Philosophy, Montreal, August, 1983

DR. D. LEGROS (Department of Sociology and Anthropology)

- conducted a seminar entitled "Les premières formes de stratification sociale" at the Laboratoire d'éthologie humaine, UQAM, September 1983.
- gave the following lectures:
 - "Marxist Anthropology Today" at the University of Calgary, November 1983.
 - "Domestic Authority Structure in Matrilineal, Matrilocal Society", at the University of Alberta, Edmonton, November 1983.
 - "Reconstructing the Possible Origins of Inequalities" at the Chacmool Conference, Calgary, November 1983.

DR. P. L'HERAULT (Département d'Etudes Françaises)

- a publié, dans la revue Voix et Images (Vol. VII, No. 3, 1983), un article intitulé "L'écrivain est un cénobite / Entrevue avec Jacques Ferron" (en collaboration avec J. Pelletier de l'UQAM).

DR. C. LEVY (Département d'Etudes Françaises)

- a publié, aux éditions de l'Université d'Ottawa, dans la série des publications médiévales de l'Université d'Ottawa, Le Roman de Floriant et Florete, 1983.

ASSOCIATE PROFESSOR F. LIGIER (Département d'Etudes Françaises)

- a participé aux deux colloques suivants:
 - "Créativité et simulation en langue second" (avec L. Savoie).
Titre de la conférence: Une simulation pour 'reconstruire' un monde, Commission Scolaire Lakeshore, Pointe Claire, août 1983.
 - "Jouons avec les dictionnaires". Titre de la conférence: Imaginaire et créativité, Congrès 1983 de l'Association québécoise des professeurs de français (AQPF), Montréal, novembre 1983.

DR. B. MACINTOSH (Department of Exercise Science)

- gave the following invited lectures:

"Muscular Function and Aging" at the 12th Annual Scientific and Educational Meeting of the Canadian Association on Gerontology, Moncton, N.B., October, 1983.

"Muscular Function of Aging" at the Annual Meeting of the New England Chapter of the College of Sports Medicine, Boxborough, Massachusetts, November, 1983.

DR. J. MCLAUGHLIN (Department of Biology)

- published the following articles:

"The Migration, Growth and Development of Cyclocoelum oculeum in Fulica americana". Parasitology 86, pp. 239-247, 1983.

"Growth and Development of Cyclocoelum mutabile in Coots." Journal of Parasitology, 66, pp. 617-620, 1983.

- conducted a seminar entitled "Gizzard Worm Infections in Fall Migrant Waterfowl in Southern Manitoba" at the Institute of Parasitology, MacDonald College, Montréal, April 1983.

DR. R. PALLAN (Associate Dean, Division III)

- organized a lecture/demonstration series for the Quebec Council of Gifted Children, Saturdays, Montreal, Sept.-Dec. 1983. Topics included:

"Molecules in Space" (Dr. S. Daunt, Chemistry); "Exploring the Workings of the Brain" (Dr. S. Drummond, Biology (retired)); "Applications of Science to Sport, Exercise and Health" (Dr. W. Sellers, Exercise Science); "A Study of Planet Earth: a Basic Introduction to Geology" (Dr. S. Kumarapeli, Geology); and "Ecology - Field Trips and Study" (Dr. E. Maly, Biology).

DR. J. PALMER (TESL CENTRE)

- delivered an invited address entitled "Discourse Patterns Across Cultures", at the East-West Center (Honolulu) Culture Learning Institute's Conference on English as an International Language, June 1983.

- published the following articles:

"Getting into Texts: Cohesion" in Cross Currents, Journal of the Language Institute of Japan, Odawara, 1983

"Language in Use: Or Building a Fire in a Wooden Stove on a Sinking Ship" in PSAA, Journal of the Chulalongkorn University of Language Institute, Bangkok, Thailand, 1983.

"Sudhira, or the Porch of Spirits", a short story in PSAA, a Festschrift for Professor M.L. Boonlau Debyasuvarn, 1983.

DR. D. PARK (Department of Philosophy)

- published an article entitled "Berkeley's Rejection of Anselm's Argument" in Anselm Studies: An Occasional Journal I, (G. R. Evans ed.), Kraus International Publications, (pp. 103-110), 1983.
- presented a paper entitled "The Logic of Observation Statements" at the XVIIe Congrès Mondial de Philosophie, Montreal. August 1983.
- published a book entitled Elements and Problems of Perception, The Alden Press: 179 pp., 1983.

DR. C. PERRY (Department of Psychology)

- published the following articles:

"Hypnosis, Surgery and Mind-body Interaction: An Historical Perspective." (with J.R. Laurence), in the Canadian Journal of Behavioral Science, 15, pp. 351-372, 1983.

"Hypnotically Created Memory Among High Hypnotizable Subjects" (with J.R. Laurence), in Science, 222, pp. 523-524, 1983.

- presented an invited paper entitled "Differential Dissociation Responses in Hypnosis" to the 35th Annual Meeting of the Society for Clinical and Experimental Hypnosis, Cambridge, Mass., October 1983.

DR. W. REIMER (Department of Sociology and Anthropology)

- published an article entitled "Sources of Farm Labour in Contemporary Quebec" in The Canadian Review of Sociology and Anthropology, 20:3, August 1983.

DR. S. RUSSELL (Department of Sociology and Anthropology)

- published a book review of David Livingstone's, Class, Ideologies and Educational Futures in the Journal of Educational Thought, December 1983.

DR. G. SASSANO (Department of Geology)

- organized the 5th Congress "Viers l'Avigni Fogolars '83'" and its related cultural activities, Concordia University, October 1983.

MS. L. SAVOIE (Département d'Etudes françaises)

- a participé au Congrès 1983 de l'Association québécoise des professeurs de français (AQPF). Titre de la conférence: "La chanson québécoise en salle de classe: un art d'agrément ou un art de parler", Montréal, novembre 1983.

DR. W. SELLERS (Department of Exercise Science)

- conducted workshops entitled "Exercise and Aging" at the 12th Annual Scientific and Educational Meeting of the Canadian Association on Gerontology, Moncton, New Brunswick, October 1983; and at the Annual Meeting of the New England Chapter of the American College of Sports Medicine, Boxborough, Mass., November 1983.

"Sex-differentiated Play: Cognitive Consequences and Early Interventions." (with C. Sprafkin), in Social and Cognitive Skills: Sex Roles and Children's Play (M. Liss, ed.), Academic Press, N.Y., pp. 168-192, 1983.

- presented the following papers:

"The Social Interactions of Withdrawn, Aggressive and Aggressive-Withdrawn Children: A Naturalistic Study of Playground Behavior" (with J. Lyons, & K. Marchessault) to The Association for the Advancement of Behavior Therapy, Washington, D. C., December 1983.

"Gender Salience and Same Sex Peer Preferences" presented to the Laboratoire d'Ethologie Humaine, Université du Québec à Montréal, November 1983.

DR. L. SERBIN (Department of Psychology)

- published the following articles:

"Mother's Perceptions of the Behavior and Problem-solving Skills of Their Developmentally Delayed Sons" (with J. Steer, and J. Lyons) in American Journal of Mental Deficiency, 88, pp. 86-90, 1983.

"Developmental Education for Parents of Delayed Infants: Effects on Parental Motivation and Children's Development." (with L. Moxley-Haegert) in Child Development, 54, pp. 1324-1331, 1984.

"Sex-differentiated Play: Cognitive Consequences and Early Interventions." (with C. Sprafkin), in Social and Cognitive Skills: Sex Roles and Children's Play (M. Liss, ed.), Academic Press, N.Y. pp. 168-192, 1983

- presented the following papers:

"The Social interactions of Withdrawn, Aggressive and Aggressive-Withdrawn Children: A Naturalistic Study of Playground Behavior" (with J. Lyons, & K. Marchessault) to the Association for the Advancement of Behavior Therapy, Washington, D.C., December 1983.

"Gender Salience and Same Sex Peer Preferences" presented to the Laboratoire d'Ethologie Humaine, Université du Québec à Montréal, November 1983.

DR. M. SHAMES (Department of Psychology)

- presented a paper entitled "On the Myth of Scientific Disinterest" presented to the Second International Conference on the Comparative Historical and Critical Analysis of Bureaucracy: Ideology, Bureaucracy and Human Survival, at the New School for Social Research, N.Y., September 1983.

DR. D. SHEPPARD (Department of Sociology and Anthropology)

- conducted a workshop on "Superwoman: Myth or Reality?" at the N.D.G. Women's Action Committee, October 1983.

DR. P. SHIZGAL (Department of Psychology)

- presented the following papers:

"Searching for the Retina" to the 1983 meeting of the Psychologist's Roundtable, Philadelphia, Pa., December 1983.

"The Substrate for Self-stimulation of the Prefrontal Cortex in the Rat: Strength-duration Characteristics" (with S. Schenk, and P. Milner) to the Society for Neuroscience, Boston, Ma. November 1983.

DR. S. SULLIVAN (Department of Exercise Science)

- gave invited lectures entitled "Neurological Aspects of Aging" at the 12th Annual Scientific and Educational Meeting of the Canadian Association on Gerontology, Moncton, N.B., October 1983; and at the Annual Meeting of the New England Chapter of the College of Sports Medicine, Boxborough, Mass., November 1983.

DR. G. TAGGART (Département d'Etudes Françaises)

- a présenté une communication intitulée "L'université et la formation fondamentale" au Colloque sur la formation fondamentale et la qualité de l'éducation du Conseil Supérieur de l'éducation, Montréal, novembre 1983.

DR. R. TITTLER (Department of History)

- published a book entitled The Reign of Mary I (Longman Ltd., Seminar Studies in History Series), October 1983.
- presented the following papers:
 - "The Dissolution of the Monasteries and the Governance of English Towns", Sixteenth Century Studies Conference, Milwaukee, Wis., October 1983.
 - "The Reformation and the English Market Town", guest lecture at Bennington College, Vermont, November 1983.
 - "The Domus Civicus and the English Urban Community, 1500-1640" to the Colloquium for Renaissance and Reformation Studies, University of Toronto, December 1983.

DR. J. TRESIERRA (Department of Sociology and Anthropology)

- presented the following papers:
 - "Contemporary Issues of Caribbean Development" to the Faculty of Social Sciences, University of the West Indies, Kingston, Jamaica, September 1983.
 - "From Hunters to Trappers to Welfare Recipients: A Study on Health Delivery Systems for Quebec Amerindiens" at the National Indian and Inuit Health Conference, Hamilton, Ont., December 1983.

DR. D. WHITE (Department of Psychology)

- published an article entitled "Verbal Factors in Visual Recognition Memory of Poor Readers" in Perceptual and Motor Skills, 57, pp. 851-857.
- presented a paper entitled "Relation of Self-and Body-esteem to Success in a Behavioral Program for Overweight Youngsters" to the International Symposium on Obesity and Behavior, Philadelphia, Pa., October 1983.

ASSOCIATE PROFESSOR B. VILLATA (Modern Languages & Linguistics)

- presented a paper entitled "Fenomeni di concrezione e discrezione dell'articolo rilevati nel lessico dell'italiano di Montreal" to the Annual Congress of the Canadian Society for Italian Linguistics and Language Teaching, Toronto, November 1983.
